SUBJECT: Proposed Regulation [] Payments for
Personal Services by Proprietary Projects

25X1

1. Proposed [] is resubmitted for your concurrence and comments.

2. The purpose of the proposed issuance is to prescribe Agency policy with respect to compensation to be paid under certain specific conditions for personal services to proprietary projects, and to outline approval and reporting requirements in connection therewith.

3. Proposed [] was first submitted for coordination 31 October 1955. Subsequently, meetings were held to resolve differences arising during the first coordination. According to the Comptroller, who initiated the proposed issuance, all differences have been satisfactorily resolved. This Staff usually provides underscoring to identify new material in recoordination drafts, but because of the extensive changes made in Draft B, attached, underscoring is omitted. Any questions regarding proposed [] may be directed to Mr. [] Technical Accounting Staff, Office of the Comptroller, extension [].
